

# Activity: Noticing & Reporting Changes

What barriers can there be to reporting resident changes?

---

---

---

What changes might you notice that should be reported?

---

---

---

Why is it important to communicate the changes you notice in your residents?

---

---

---

What two tools can you use to communicate resident changes to the RN/EN?

---

---

---

What will you do after you have reported change/s to the RN/EN?

---

---

---
